

# **Election/Voter Registration**

## **Town of Centerville, Manitowoc County**

**As of January 1, 2006, all municipalities in Wisconsin require voter registration prior to a person being allowed to vote.** In the past the Town of Centerville has not had voter registration--we have had a computerized poll list. Residents who have not registered will be able to register at the Town Clerk's office. Residents can register on Election Day, but please remember this will take extra time. The State Election Board website <http://elections.state.wi.us/index.asp> has a Quick Link corner to answer various questions. The application forms needed are also available on the web page. Once you are registered, you will not have to register again unless you change your name or address.

### **Requirements**
