No action shall be taken under this section to abate a public nuisance unless the officer has inspected or caused to be inspected the premises where the nuisance is alleged to exist and has satisfied himself that a nuisance does in fact exist.

B. SUMMARY ABATEMENT. If the inspecting officer determines that a public nuisance exists within the Town and that there is great and immediate danger to the public health, safety, peace, morals or decency, the Chairman may direct the proper officer to cause the same to be abated and charge the cost thereof to the owner, occupant or person causing, permitting or maintaining the nuisance, as the case may be.

C. ABATEMENT AFTER NOTICE. 7.10 COST OF ABATEMENT. In addition to any other penalty imposed by this chapter for the erection, contrivance, creation, continuance or maintenance of a public nuisance, the cost of abating a public nuisance by the Town shall be collected as a debt from the owner, occupant or person causing, permitting or maintaining the nuisance; and if notice to abate the nuisance has been given to
